

Signature Program: #CAPSM

Alpha Kappa Alpha will assist students as they seek admission to college by providing guidance and support in completing the application and enrollment process through the 2018-2022 Signature Program, #CAPSM.

Too many African-American high school students lack the basic support needed to navigate through the college admissions process. Through #CAPSM, chapters will partner with local high schools and youth groups to bridge the gap between high school and college by demystifying the college application and enrollment process. This educational initiative will extend to all colleges and universities, both HBCUs and non-HBCUs.
